Baby Food & Breast Milk Freezer Tray is safe and practical, made from 100% food grade silicone. It is perfect for freezing puree, home made baby food, breast milk and even simple old ice cubes! Being 100% silicone this handy little tray is also totally heat proof, microwave safe, dishwasher safe and free of any leaching nasties.

Generation 2 Silicone Breast Pump with Suction Base is easy to use and clean, also made from 100% food grade silicone. Simply suction to your breast and let the pump do the work for you as it draws your milk using suction. Fit perfectly into any handbag or diaper bag, making it ideal for traveling. Suction base ensuring your pump will not fall over meaning no spills!

AMAMANTE!
nursingwear

Amamante Signature Nursing Gown is definitely not your mother's nursing gown! Sexy, accessible and comfortable. This nursing gown is so flattering, you will wear it well after nursing! Integrated nursing bra just pulls down to nurse.

Regular Bamboobies ultra-soft nursing pads are unique because they don't show through or leak through like other washable pads. Ultra-thin, heart-shaped regular nursing pads are made for light leaking.

Overnight Bamboobies nursing pads are not only ultra-soft, but larger, thicker and super absorbent for heavy leaking and newborn nursing.

Leading Lady®

For our moms that prefer wire free nursing bras, Leading Lady presents our original **Molded Seamless Wire free Nursing Bra** so all of our moms could enjoy everyday comfort and breastfeeding ease.

Leading Lady's **Molded Seamless Underwire Nursing Bra** provides tried and true comfort, support, and a smooth, feminine shape.

Leading Lady's versatile **Nursing Bra Cami with Inner Sling** combines the necessary breastfeeding support that moms need with basic style perfect for everyday wear. With a built-in shelf bra, discreet one-hand nursing clips and inner side sling, moms can enjoy easy breastfeeding in public or private spaces.

Lansinoh® Breastmilk Storage Bags are the largest breastmilk storage bag on the market, safely storing up to 6 oz. in each bag. Our bags feature a patented double Click 'n' Secure™ seal to prevent leaks, and a convenient pour spout at the top of the bag makes transferring milk easier than ever.

Our #1 selling **Disposable Nursing Pads** provide discrete, comfortable protection to stay dry day or night. They have a special absorbent polymer and stay-dry lining to draw milk away and into the core of the pad, keeping the skin and clothing dry.
